

WAYFINDERS
HELPING OPPORTUNITY FIND EVERY CHILD

Wayfinders 2020 Mentor Commitment

1. Help prepare mentee for camp:
 - Attend Camp Kick-Off Party on May 16th with mentee, if available
 - Help gather necessary clothing and bedding items and pack
 - Provide transportation to and/or from camp, if able and needed
 - Write mentee at camp at least once a week!
2. Meet in-person with your mentee at least once a month during the school year:
 - Wayfinders provides free enrichment opportunities and ideas to make this easy.
3. Keep in touch with your mentee during the school year via phone calls, texts, and emails:
 - Check in about Attendance, Behavior, and Classes (ABC's)
4. Pitch in to drive scholars to enrichment activities, as needed and able:
 - If every mentor drives for ONE event a year, we will have all driving needs covered!
5. Commit to sustaining a mentoring relationship with your mentee for the **five years** they are in our middle school program (*Note – we are excited to have expanded into high school, so you will have the option to continue your relationship with your mentee to graduation and beyond!).
